SERVING MASS — CLARIFICATION

There has been some confusion about the serving instruction sessions. The idea behind the schedule was that most people prefer one Mass time over another, and thus a compromise was reached by offering two different training sessions. Thus, those wishing to learn would only be expected to attend two sessions per month, either after the 8 AM or before the 10:30 AM Mass. The same material will be covered at either one.

It appears, as with any exercise of the virtue of religion, that interest in serving is flagging. Please do not allow this to happen. Many souls are likely in hell for sins of acedia (sadness and sloth regarding spiritual things), since once a soul has developed a distaste for spiritual things, it has very little hope for salvation outside of a miracle. It is a great privilege to serve our Lord at the altar, not a burden. It is in the sanctuary that the mysteries of our salvation are being renewed each day. While not all are called to give their entire lives to the service of the altar through ordination, all boys and especially grown men should at least desire to know what to do in case of necessity.

The original announcement: All boys and men (ages 11 and up) are invited to join Mr. White in the basement of church (during the summer months) for instruction on how to serve Mass. Younger boys may come but are not required. We will alternate, having sessions before High Mass at 9:45 on first and third Sundays, and immediately after Low Mass on second and fourth Sundays. The instruction will include both the ceremonies of serving Low Mass and the Latin responses.

Please keep in mind that even if your intention is only to serve High Mass, you still need to know how to serve Low Mass, because only those able to serve and make the responses at Low Mass will be able to fully understand how to serve at High Mass. Therefore, only those servers who diligently attend the training sessions or who have demonstrated to the pastor or his delegate their ability to serve Low Mass (and make all the Latin responses) will be allowed to serve at High Mass on Sundays and Holy Days. This policy will take effect starting in October.

CHURCH REPAIRS AND MAINTENANCE

We have several major repair projects that must be completed in order

(Continued on next page)

to keep the building from falling apart. It is in fairly good shape but that can change if we do not do the following, some of which will be beginning as early as this week:

1. Painting and repairing church window frames to prevent rotting wood and eventual damage to the stained glass: \$21,500
2. Roof repairs on church: \$29,181 (combination of two jobs — the lower level tile roof on the church and flat roof above the sacristy).
3. Roof replacement on the Nazareth Center. The roofing company says that this will be necessary in about 5 years at a cost of about \$60,000: For this we need to put away about \$12,000 per year for the next 5 years.

We are projecting that our regular Sunday collection will cover our normal operating expenses, with possibly a slight deficit depending on any regular maintenance issues that may arise, which (as many of you know with your own homes) are quite variable in cost and frequency. Thus, any large repair projects like these must be funded by additional contributions. Especially those who have not or do not have the opportunity to contribute their time or talent to the parish are urged to take this opportunity to donate their treasure to the success of our parish.

If you wish to make contributions to these projects, please place a second envelope in the collection basket with the name of the project you wish to help complete. We will show a running tally with percent of goal reached in the bulletin.

SPECIAL TALK ON MARRIAGE

Fr. Eric Flood, FSSP, our district superior will be passing through Dayton and has offered to give a talk on marriage on Saturday, September 4, at 5 PM. When asked to describe the **content**, he said the following, “It is one of those talks which those who do not attend will be disappointed they did not come.” **If you plan to attend, please let the pastor know, as it is not yet certain if the church or the Nazareth Center will be the location.**

PARISH PICNIC

Our annual picnic (now we can call it a parish picnic) will be held on Sunday Sept. 19 at Thomas Cloud Park 4707 Brant Pike in Huber Heights. We will meet at shelter 5 beginning at noon, and eat lunch around 1 PM. Please bring a side dish or dessert to share, as meat and drinks will be provided. Please feel free to bring any outdoor games as well. We look forward to seeing many new and familiar faces for an afternoon of fun. If you have any questions or concerns, or would like to volunteer to help, please direct them to Peggy at dpeyton@gmail.com or 297-1489.

BRUNCH

We will be returning to our normal first Sunday brunch schedule beginning in September. There will be a brunch after High Mass on September 5. Please join your fellow parishioners in the church hall and bring along a dish to share.

GAME NIGHT

On Friday, September 3, Holy Family will be hosting its first family game night. The game night will be on the first Friday of each month. There will be a short devotion to the Sacred Heart with Benediction of the Blessed Sacrament and distribu-

tion of Holy Communion (for those who wish it) beginning at 6PM. There will be a pot-luck type dinner in the basement of the church beginning at 6:30. Please bring along a dish to share. The parish will provide all of the paper products and drinks. After dinner everyone is welcome to head to the Nazareth Center for family games until 9PM. We will be using the classrooms on the first floor as well as the gym. Gym time will be divided into three separate times (maybe four if the youngest children need their own time in there). The girls 12 and up will have some gym time, followed by the boys 12 and up, and finally there will be a time for the younger children (11 and under) to play in the gym.

REGISTRATION

This week we welcome the Kitchen family to the parish, in addition to those whose registrations were accepted verbally. Please do NOT neglect to register if you wish to be under the pastoral care of this parish, otherwise, you will be referred to your territorial pastor for all sacraments and pastoral care. This is especially important for funerals, since after an individual has died, he or she can no longer register in our parish without divine or angelic intervention. Registration forms can be found at the front and side entrances of the church.
