### From The Pastor's Desk:

In today's epistle, Gal. 5:25-6:10, St Paul admonishes us "While we have time let us do good to all men." Even if someone is caught doing something wrong we cannot gossip about them. Instead a good Catholic prays for them realizing that we are not perfect either. We must remind ourselves "but for the grace of God there go I!" If someone has done something to harm us or even just something that annoys us let us remember the words Our Lord Himself worked into the Our Father whereby we set the limits on how much we want God to forgive us by how much we forgive others: "forgive us our trespasses as we forgive those who trespass against us." By forgiving others we show that the Holy Spirit is alive in us and that **WE** want to be forgiven as well. "Blessed are the merciful for they shall obtain mercy."

During these last 3 months of this Year of Mercy let us recall the **A B C's** of Divine mercy:

**A- Ask for mercy (especially frequent confessions)**

**B- Be merciful to others (yes even to those we don't especially care for or who have injured us)**

**C- Completely trust in God—"JESUS I TRUST IN THEE!"**

## About the 54 Day Rosary Novena for Our Nation

The time is now to call upon God, through the powerful intercession of our Lady of the Rosary, to heal our country and return it to holiness.

This is a nationwide prayer campaign called the “Novena for Our Nation.” Everyone from around the nation is encouraged to join ranks as, united, we pray the very powerful 54 Day Rosary Novena from the Feast of the Assumption on August 15 to the Feast of Our Lady of the Rosary on October 7.

We are living in extraordinary times. Presidential executive actions, US congressional and state legislation as well as court rulings at all levels up to the Supreme Court are in conflict with God’s laws; especially the disregard for the rights of the unborn, elderly and weak in our society and the attacks on marriage and family values. At the same time society and government are becoming more intolerant towards biblically based religious belief and practice. In conflict with First Amendment constitutional rights, persecution of traditional religious expression has reached unprecedented levels. We are in a Spiritual Battle!

Extraordinary times call for extraordinary action. In this Jubilee Year of Mercy, and as we enter the centennial year of the apparitions of Our Lady of Fatima, we are called upon to help turn our country back towards God. We will accomplish that through prayer; prayer that can change hearts, change families, change our communities and change our country. There is no stronger weapon in this Spiritual Battle than the Rosary.

### **The Holy League Rises Again!**

Pope St. Pius V formed the original Holy League in response to the dire situation in which Christian Europe found itself in 1571. Small bands of Catholic men and remnant armies from various nations came together under the spiritual leadership of the saintly pontiff and the military leadership of Don Juan of Austria.

By prayer and fasting, they implored the help of God’s grace, through the intercession of the Mother of God, and, by the grace of Almighty God, on October 7, 1571, at the Battle of Lepanto; the Christian fleet won a crushing victory over the muslim Ottoman Turks, saving Christendom and western civilization.

The new Holy League, under the spiritual guidance of Cardinal Raymond Burke is, essentially, calling men to combat the forces of evil in today’s society. The Holy League strives to call men back to the state of grace and transforming

the culture through prayer (primarily rosary, adoration ,Confession) and practicing holiness.

The new Holy League is sponsoring this very necessary campaign because, at this particular moment in time, the Church finds itself in a similar situation to that of the Church in the late Sixteenth Century. However, instead of a physical enemy on the horizon, the Church and family (the domestic Church) are threatened daily by relativism, secularism, impurity, and confusion regarding Church teaching.

The battle today “is not against flesh and blood but against the principalities and powers, the rulers of this world of darkness, the evil spirits in high places” ( Ephesians 6:10-12).
