HAPPY THANKSGIVING! THURS. NOV. 23rd

The origin of this national holiday actually predates the United States of America. It was celebrated by the pilgrims of the Plymouth Bay Colony under Gov. William Bradford. The previous winter had been extremely harsh in which 46 of the 102 pilgrims had died. With the help and

friendship of the Wampanoag Indians, especially Squanto who taught the pilgrims where to fish, hunt and plant, they survived and even enjoyed a plentiful harvest in the year 1621. The Pilgrims therefore appropriately invited the Native Americans to celebrate a meal with them to thank God for the great harvest and His many blessings. How important for us to celebrate this national holiday and keep the tradition of thanking God for all His benefits! What better way to thank God than to come to the Holy Sacrifice of the Mass - the Eucharistic Feast—which goes back to the holiest Thanksgiving Feast ever, the Last Supper! Recall that the Greek word "Eucharist" actually means "Thanksgiving." We have so much to be thankful for!

Be sure to come to give thanks to God!!

BLESSED SOLANUS CASEY

It is official! Saturday, Nov. 18th, Fr. Solanus Casey (1870-1957), became only the second American born male saint to be beatified. Fr. Solanus is a modern day saint proving once again that Holy Mother Church continues, with the help of the sacraments, to produce saints. Many are alive today who spoke with him. A miracle occurred to a Panamanian woman praying at his tomb in Detroit back in 2012. Paula Zarate prayed for her mother, family members and others but when she was standing up she heard a voice say "But what about you, what do you need?" She felt a warmth going through her body and a burning sensation in her legs. She had had ichthyosis vulgaris, a genetic disease that causes the skin to scale and bleed. There is no cure for this condition that she had since childhood. When she examined her legs she watched the scales literally fall off before her eyes but instead of blood she found rose colored normal flesh. She gathered the scales into a bag that were later tested. When she went home to see her doctor of over 13 years the doctor was amazed and had no explanation for what had happened. Many other doctors examined the case and Paula herself. All concurred that there was no natural explanation for her healing. Paula was the woman who brought up the relic of Fr. Solanus at his beatification with 60,000 in attendance, including members of Holy Family. Fr. Solanus had such great faith he thanked God for miracles that had not yet occurred. Let us have that kind of Faith!!

Resumed : Sixth Sunday After Epiphany

WHAT? 6th Sunday after Epiphany in November?

Believe it or not there is method to the madness!

Due to the fact that Easter is a movable feast (ie not on a specific date like Christmas, Dec25th) the number of Sundays after Epiphany to Septuagesima Sunday and the number of Sundays after Pentecost to Advent are variable depending on when Easter falls each year. If Easter is early there are less Sundays after Epiphany so these Sundays are added between the 23rd Sunday after Pentecost and the 24th (and Last) Sunday after Pentecost. Therefore the Sixth Sunday After Epiphany which was not offered before Septuagesima began will be offered today. For the Resumed Sundays the Introit, Gradual, Offertory and Communion are taken from the 23rd Sunday after Pentecost but the Collect, Epistle, Gospel and Postcommunion are from the Sixth Sunday After Epiphany. The 24th Sunday After Pentecost is always the last Sunday before Advent due to the nature of its epistle and Gospel regarding the end of time which is indeed suitable for the last Sunday of the Liturgical Year. So yes indeed today's Mass is the Sixth Sunday After Epiphany!

ARS Christmas Bake Sale—Dec 3rd
