JANUARY 22,, 2018—45 YEARS OF ROE V. WADE

A PERSON IS A PERSON NO MATTER HOW SMALL!

Tomorrow marks the 45th Anniversary of the Supreme Court Landmark decision that legalized abortion throughout the United States. Since then an estimated 60 million babies have been destroyed in their mother's womb. We pray for these little ones who were denied their dream! They would have loved to have been legally born here in the US but were denied not only citizenship but their American dream of Life, Liberty and the pursuit of happiness! We pray for the mothers as well who were pressured and lied to that destroying the "blob of tissue" was the better way but now have to bear the deep psychological scar of having killed their own baby. Project Rachel and Silent No More are two groups that help these mothers heal and be forgiven. But most importantly let us pray for our country as we may be on the verge of having a pro life, pro family Supreme Court who may overturn the rulings that have gone against the Divine Law from which all true law must originate.

"And My people on whom my name is called, being converted, shall make supplication to Me, and seek My face and do penance for their most wicked ways: then will I hear from heaven and forgive their sins and heal their land" (2 Chronicles 7:14) PRAY THE ROSARY FOR LIFE!

Prayer to End Abortion “ O God who is the beginning and the end hear our prayer as we cry out to You to end the merciless shedding of blood in our nation and throughout the world. Through Your death You have conquered death and through Your life we experience eternal and everlasting life. Cause life to spring forth in the hearts of all people and bring forth a love and respect for life that will dominate our culture. May Your kingdom and Church apprehend and overtake the culture of death that has prevailed through deceit and selfishness. May the seed of the woman crush the head of the serpent through Christ Jesus

Our Lord. Amen
