## Thirteenth Sunday After Pentecost

### An Attitude of Gratitude - "But where are the other nine?"

Today's gospel is the healing of the ten lepers. The Church's purpose in selecting this true event is two fold. We marvel at the infinite mercy of God who has compassion on all men regardless of race or creed. How great He is and how much He loves us! Yet we also see in this event the depths of ingratitude we as humans can sink. This story is not an isolated incident in the Gospels. Most of those who were miraculously cured by Jesus forgot to thank Him. However, in today's Gospel there was at least one man who came back with an attitude of gratitude. Only one man out of ten had the decency to express his gratitude for a new lease on life. This moved Our Lord to commend him for this small act of thankfulness which was so graciously accepted. Are we like him or are we one of the nine who forget all about He who gave us new life?

### True Devotion to Mary

This book is by far the greatest treatise on Mary ever written. It clearly illustrates who Our Blessed Mother is in relation to God and also her powerful intercession for us. It is also a preparation for consecrating oneself to her in order to more easily reach her Son. We will be consecrating or reconsecrating ourselves to her on Dec 8th with the 33 day preparation beginning Nov.5th. Be sure to read this book!

## **HE WHO SINGS PRAYS TWICE**

As the summer comes to a close, the choir is gearing up once again for a new season of liturgical singing of sacred chant and polyphony beginning at the 10:30 mass Sept. 9th. The first practice is Wednesday September 5th at 6:15pm followed by a workshop on September 8th. Regular practices continue on Wednesday evenings throughout the year. We are always looking for new members to join us. Please prayerfully consider if you are being called to give of your time and talents for the glory of God in this way. No prior experience or tryouts are necessary to join. We especially need men's voices for both chant and part singing. Chanting in the choir is a wonderful way to grow in your faith and deepen your understanding of the liturgy. Check out :
