Second Sunday After Epiphany

The Wedding Feast of Cana

In today's Gospel, on this Second Sunday after Epiphany, Holy Mother Church presents to us the third "epiphany" that Greek word which means "a manifestation". The Fathers of the Church go even further by calling the three events "theophanies" "manifestations of God" as they give evidence to us who this Jesus is, a proof of His divinity. The first theophany was the coming of the magi, gentiles bringing gifts of gold, frankincense and myrrh, significant gifts that show His kingship, His priesthood and the death he will die to redeem mankind.

The second theophany is the Baptism of Jesus which is usually celebrated on the former octave day of the epiphany, Jan. 13th. (This year the Feast of the Holy Family) Here we read that 30 years after His birth, as Jesus was preparing for His public life, He came to St. John the Baptist and was baptized in the Jordan River where the Holy Ghost came down upon Him in the form of a dove. St. John then testifies "I have seen and born witness that this is the Son of God".

Today we have the third theophany where Jesus performs His first of many miracles at the Wedding Feast of Cana through the intercession of the Blessed Mother. At the same time as manifesting His divine supernatural power he also manifests His great love for the institution of marriage.

Let us be sure to remember this occasion, the first miracle of Our Lord, whenever our protestant friends wrongfully say that Mary was "just another woman" or question why we honor her. Remind them whose intercession it was that brought about that first miracle. She merely states "vinum non habent", "they have no wine" and Her Divine Son, flesh of her flesh, turns mere wash water into the best wine man has ever tasted while also foreshadowing the Holy Eucharist where He will turn wine into His blood for us!

Therefore, as we continue to grow in our faith during this time after Epiphany and throughout the new year let our lives be drawn more deeply towards Him, the God man, doing all for His greater glory preparing for His second coming. Hear His voice in your heart. And the words of Our Lady to us: "Do whatever He tells you!"

Oh Lord That I May See!

Thanks so much to everyone who prayed for my eye surgery this past week. My right eye had become so cloudy I was legally blind In that eye!

This has been developing over the last few months. Oh how we take the gifts of God for granted! Thanks also from Dr. Krach, an old high school friend and fellow wrestler who graduated from Notre Dame and is a practicing Catholic. He even called me after the surgery!

I am very grateful to God for the return of my vision. For the next 3 weeks I can't bend at the waist or lift anything that weighs over a gallon of milk but I am already so pleased with the outcome of the surgery. I offered a private Mass last Wednesday and remembered ALL who had prayed for me and Dr. Krach, THANK YOU!!

I call to mind the words of a holy priest who asked "If you woke up with only the things you thanked God for the night before what would you have today? Thank you God for my Sight!

Anniv. of Roe v. Wade—46 years of Infanticide!

This Tuesday marks the 46th Anniversary of the Supreme Court Landmark decision that legalized abortion throughout the United States. Since then an estimated 60 million babies have been destroyed in their mother's womb. We pray for these little ones who were denied their dream! They would have loved to have been legally born here in the US but were denied not only citizenship but their American dream of Life, Liberty and the pursuit of happiness! We pray for the mothers as well who were pressured and lied to that destroying the "blob of tissue" was the better way but now have to bear the deep psychological scar of having killed their own baby. Project Rachel and Silent No More are two groups that help these mothers heal and be forgiven. But most importantly let us pray for our country as we may be on the verge of having a pro life, pro family Supreme Court who may overturn the rulings that have gone against the Divine Law from which all true law must originate.
