Palm Sunday

In today's liturgy Holy Mother Church presents to us two seemingly contradictory emotions—joy and sorrow. We begin with the red vestments of martyrdom to bless the palms and join the procession with holy joy as we commemorate Our Lord's triumphant entry into Jerusalem some 2000 years ago. From the mouth of babes we hear "Hosanna to the Son of David!" as we carry the palms which are the symbol of victory. Yet even more importantly the procession also calls to mind a future event when Jesus Christ will enter into the New Jerusalem where He will reign as King for all eternity! Let's be sure to be in that number!! But first we must enter into His Passion! "Whoever would come after Me must deny himself, pick up his cross and follow Me!"

HOLY TRIDUUM SCHEDULE

Holy Thursday 7PM

(confessions 9-11PM with adoration until midnight)

Good Friday—3PM

(Mass of the Presanctified/ veneration of the cross)

Easter Vigil New Fire at 10:30PM

Easter Sunday: 8AM Low Mass/ 10:30AM High

**Vultus Misericordiae—
the Face of Mercy**

After the procession where we hail Jesus as our King past, present and especially future we then exchange the

red vestments for the penitential violet as the joyful note of Christ's kingdom gives way to the sorrow of what He must endure to be victorious over sin and death. The Gospel today is the Passion according to St. Matthew. Holy Mother Church wishes us to realize that in order to redeem us Our Lord had to first suffer and die. In order to reign He first humbled Himself. We see here other contradictions. In order to live we must die to self. If we wish to be exalted we too must humble ourselves as the King of Glory did even on that first Palm Sunday. As the prophet Zachariah wrote years before the birth of Christ; "Rejoice greatly O daughter of Zion! Behold your king comes to you; triumphant and victorious riding on an ass" (Zach. 9:9.) The humility of Jesus is seen both in entering triumphantly into Jerusalem on a donkey and then being nailed to the cross. As any architect knows the higher you wish to build a skyscraper the farther one must dig its foundation into the dirt.

Let us not be like the fickle crowd that on Palm Sunday shouted "Hosanna to the Son of David", proclaiming Jesus King but in less than a week those same people cried out "Crucify Him, crucify Him!" Rather let us be like our Blessed Mother who stayed faithful to Jesus throughout His passion and death. As we enter into Holy Week let us intensify our prayers, fasting and mortifications so that if we share in Christ's sufferings we may also share in His victorious procession into the New Jerusalem and live forever! Let us welcome the King of Glory into our hearts this day!
