FEAST OF OUR LADY OF THE HOLY ROSARY

It was the custom in the middle ages, as formally among the Romans, for noble persons to wear crowns of roses called chaplets. These crowns were offered to persons of distinction as a feudal due. The Blessed Virgin, as Queen of Heaven and of souls has a right to the same homage. Therefore the Church asks us to recognize the title of Mary as Queen of the Holy Rosary and exhorts us to offer to her as daughter of the Father, Mother of the Son and Spouse of the Holy Ghost a triple crown of roses to which she has given the name of rosary. The Collect of today's Mass reminds us that the recitation of the rosary is a mental prayer in which we meditate on the life, death and resurrection of Jesus in which Mary was intimately associated. The Gospel, which gives us the Angelic Salutation we now call the Hail Mary, shows us that the rosary is also a vocal prayer from the Gospel itself. This prayer, the Holy Rosary, has in the course of centuries obtained many graces for Christendom. The feast of Our Lady of the Rosary was instituted to commemorate the victory of Lepanto which took place on October 7, 1571—448 years ago tomorrow, when thanks to the recitation of the rosary the forces of Islam, whose powerful naval dominance threatened all of Christendom, was broken. Pope St. Pius V attributed this miraculous victory to the rosary. Pope Clement XI extended the feast to the Universal Church in thanksgiving for another miraculous triumph over the same foes in Hungary in 1716. Most recently Our Lady of Fatima has given the rosary to us as her Peace Plan from Heaven. It is indeed THE Weapon of Mass Salvation!
