The Seventeenth Sunday After Pentecost

In today's Gospel, MT 22:35-46, Our Lord responds to the Pharisee's question "which is the great commandment of the law?" by saying "Thou shalt love the Lord thy God with thy whole heart, and with thy whole soul and with thy whole mind" and "thou shalt love thy neighbor as thyself." Jesus then asks "What do you think of the Christ? Whose son is he?" Although at first these appear to be separate subjects with nothing in common, a closer grasp of its meaning show they are intimately connected.

The real reason why the Pharisees rejected Jesus and condemned Him to be crucified was because they had not the true love of God within them. They served God out of selfish motives, they wanted to prosper in their earthly possessions and to avoid earthly punishments. They devoted their time to twisting the Law of Moses in order to circumscribe God's activity among men. They left God little to say in His own Law. They almost completely forgot His infinite love and mercy. They wanted a Messiah who would free them from the Roman occupiers and restore to them the Jewish ruling power, THEIR POWER, over Israel. They did not think of the Messiah's spiritual mission of conquering sin and death. They wanted a great worldly wizard who would open the doors of earthly treasures to them without even considering the gates of heaven. Because they did not love God as they should—whole and entire— they would not recognize Him before their very eyes and would not accept Him as their Lord and Redeemer. How little the world has changed in nearly 2000 years. There are legions of worldly men and women, among them many who call themselves "Christians" yet deny giving themselves whole heartedly to Jesus Christ for the same motives. Let us not be a part of that group but rather continue to increase in love of God and our neighbor for the love of God who created each and every one in His image and likeness and died for their redemption. We must remember we are created for heaven not this earth! Remember those words of St Therese the Little Flower whose feast is next Saturday in the EF calendar.

"The earth's my ship - not my home!"

PAIN RESTORATION AT FINDLAY ENTRANCE NEARLY COMPLETE!

BEFORE

AFTER!

The radiators in the basement hallway still need to be painted but most of the work has been completed. Since this was a restoration project and not a repainting we must have before shots to see the difference! We are blessed to have found a painter who knows well the work of the original painter, Gerhard Lamers!
