Feast of the Holy Family– Happy Feast Day!

Today Holy Mother Church dedicates the first Sunday after Epiphany to the Holy Family and places before all Catholics the model which they should try to reproduce in their own homes. In today's epistle St. Paul encourages us to practice the virtues of the Holy Family namely mercy, patience, humility and forgiveness. These must become second nature to us if we expect to have a place with that eternal Holy Family in heaven!

In the Gospel we read one of the few accounts of Christ's early life. It brings to mind the Holy Family at Nazareth, that humble family living in the obscurity of a carpenter's shop, living by the "sweat of the brow" far removed from the glamor of worldly wealth and fame. The Holy Family is indeed the model for all truly Christian families. Fathers of families you have St. Joseph as your model as a true father. This year is especially devoted to him! He worked hard in the obscurity of a carpenter's shop while being the breadwinner and protector of He who created the universe out of nothing! He was known to his neighbors as just another carpenter yet the role he played was one that helped change the whole history of the human race. He was little known at Nazareth but is and will always be known and revered forever in the Christian world as the Foster Father of the redeemer of the world. He was rewarded even here on earth for his diligence and sacrifices. He died with Jesus on one side and Mary on the other. He is now the Patron of a Happy Death. Fathers, you may find your task as breadwinner protector and teacher a monotonous task but remember you too are playing a big

part, a crucial part in God's plan especially for God's children entrusted to you and their mother. If you continue to provide for the wife and children committed to your care you too will make the headlines in the world to come.

You too will have your name written in the Book of Life like St. Joseph!

Mothers your task can also be monotonous and routine. It seems to be carried out without any earthly honor or reward for the great sacrifice of self and this will not end until you draw your last breath. But if you make Mary your role model, if you turn to her for help and strength, she will aid you, she will be ever at your side to encourage and strengthen you to persevere. She understands your worries, your weariness and your sorrows. Yet she will grant you the grace that is needed each day for a mother passing down that great love to her children and eventually receiving it back not only from them but from their Heavenly Father who has entrusted them to your loving maternal care. Like the Blessed Mother you too will be lifted up by God and given a golden crown for all eternity!

Children, and we are all children of God, your duty in the family is that of obedience, respect for and love of your parents. Your model is Jesus Himself, the Son of God. Jesus, the Creator of the world, all powerful and all wise was subject to His earthly parents, Mary and Joseph, as we read in the gospel today. God was obedient to his own creatures!? God respected the work of His hands, God loved those who were infinitely beneath Him. "and He was subject to them"! Think of these words when you are asked to clean your room or any other chore you do not like to do.

Think of Jesus obedient unto death- even death on a cross- whenever you are tempted to complain about your state in life, whenever you feel the restraint of obedience. Think of these words : "and He was subject to them". When fallen human pride moves you to rebel against those whom God has placed over you to their care remember God Himself was subject to human parents for love of you!. Let us not find it so difficult to be subject to our parents & those with authority over us.

Holy Family—Jesus, Mary and Joseph— pray for us that we may join you forever in God's Holy Family in heaven! AMEN!
