THE THIRD SUNDAY AFTER PENTECOST

Today the Introit, gradual, offertory and Communion of the Mass all testify to Our Lord's Divine nature. In the Extraordinary Form we continue to rejoice that Our Messiah has come! We prepared for Him during all of Advent We now continue to celebrate His birth. He did not come some 2020 years ago and then POP like a bubble and everything went back to "normal" as if He had not come. Mary and Joseph did not just leave His memory at Bethlehem that first Christmas but after their sojourn into Egypt to protect His life (yes even the leaders back then thought they could say what children live or die) they took Him home to Nazareth where He grew before their eyes each day loving Him more and more. They certainly did not forget about or take for granted this amazing gift from Almighty God. Do we realize that gift of Our Lord born again for us this Christmas? Is the Christ Child growing in our hearts?

Roe v. Wade—48 years of Infanticide!

In today's epistle St. Paul exhorts us: "do not be overcome with evil but overcome evil with good!" How timely his words are for us as a nation having just commemorated last Friday January 22nd, the 48th anniversary of the Roe v Wade decision. A day that will live in infamy, the day the US "SUPREME" Court overruled Almighty God and the Sixth Commandment by legalizing abortion. Since then more American babies have been killed than the estimated total deaths from World War II—over 60 MILLION! We pray for these little ones who were denied their American dream! They would have loved to have been legally born here in the US but were denied not only citizenship but their American dream of Life, Liberty and the pursuit of happiness! We pray for the mothers as well who were pressured and lied to that destroying the "blob of tissue" was the better way but now have to bear the deep psychological scar of having killed their own baby. Project Rachel and Silent No More are two groups that help these mothers heal and be forgiven. But most importantly let us pray for our country as we may be on the verge of having a pro life, pro family Supreme Court who may overturn the rulings that have gone against the Divine Law from which all true law must originate. PLEASE DO NOT TAKE THIS AS A GIVEN!! How ironic that we find 2021 with "Devout" Catholics in such places of power—the President, the Speaker of the House, six of the nine Supreme Court justices, the Governor of the state of Ohio all claiming to be Devout "CATHOLICS". Yet Planned Parenthood could not be happier. The abortion mills continue to destroy babies physically and mothers psychologically with 50 ABORTIONS A WEEK right here in the Miami Valley !! How can this be? Can true Catholic be pro-abortion? What irony! Yet like King Herod it seems too many Catholics politicians desire their power more than they fear God. We heard the dripping sarcasm of King Herod in St. Matthews gospel telling the wise men "bring back word to me so I may come and worship him also." What hypocrisy that continues today. It did not end well for Herod and it will not end well for our nation if we continue to destroy babies, made in the image and likeness of God. Yet instead of pointing fingers at these "devout Catholics" lets ask ourselves "What have I done to stop the slaughter? Can I do More? Remember we are indeed are our brothers keeper. PRAY THE ROSARY DAILY FOR AN END TO ABORTION!

WORRIED FOR OUR COUNTRY?

Remember St. Padre Pio's words to us "Pray and do not worry!" Worry does nothing to change the future it only robs today of its strength!!
