Third Sunday of Lent

In the Epistle today, Eph 5:1-9, St Paul exhorts us to "Be imitators of God... for you were once darkness but now you are light in the Lord. Walk then as children of light". This is indeed our goal for Lent! We have received the gift of faith. We have been made children of light through our baptism. Are our deeds always the fruits of that light or are they too often signs that we are falling back into darkness? Is our language the tongue of angels praising God, truthful and uplifting to our fellow man or do we use the tongue of the demons which we have learned from a pagan world that bombards us with its vulgarities, its curses, its blasphemies, its gossip and its lies? Recall that it is by that same tongue that we receive Our Lord in Holy Communion. It should be a nice soft pillow to receive Him and not a prickly thorn bush or a forked tongue. Do we listen to gossip from others? Should we not encourage that person to pray for the one they are tearing apart instead of being an accomplice in that sin? We are called to be light in an ever darkening world. How is our light shining? Lent is indeed a time to brighten up that light within us by learning to avoid evil and to do good. Our mortifications should show us that our will is stronger than any attachments to this earth. Our devotions and spiritual readings should be bringing us closer to Jesus Christ showing us the way to become true children of God who walk in His ways. Let us continue our fasting, prayers and mortifications during this third week of Lent. Holy Week will be here before we know it so let's make use of each day remaining!

DAYLIGHT SAVINGS BEGINS NEXT SUNDAY!

REMEMBER TO SET YOUR CLOCKS FORWARD ONE HOUR!

COME FOLLOW ME!

Holy Mother Church grants a Plenary Indulgence under the usual conditions (Confession, Communion, prayers for the Pope & detachment from all sin) for making the stations! Could there be any better way to spend 45 minutes?

Feast of St Thomas Aquinas

Today is the Traditional Feast of St. Thomas. It was the day he closed his physical eyes in death and opened his spiritual eyes to the beatific vision. The "Angelic Doctor" left us the greatest work ever written on theology, the *Summa Theologica*. *Yet he said that he learned more at the foot of the cross than all the books he had ever read or from all the classes that he had ever taken! Let us learn from him to seek Jesus on the cross this lent!*

LENTEN ALMSGIVING

As we enter the penitential season of Lent, please consider these two opportunities for almsgiving here at Holy Family Church.

1) Dayton Right to Life (DRL) has a continuous need for dry baby formula (they use approx. 60 cans [Similac Advanced, or Gerber Gentle/Smoothie] per month). Please consider bringing a can, or more, of formula and place it/them in the appropriately marked bin in the church main entrance.

2) ALSO, please pick up one of the special baby bottle savings banks located in the entrances. Place your spare change in them during Lent for the benefit of DRL to support their many other areas of need. Please return filled bottles to the bin on the stage in the basement by Easter Sunday. These alms will be put to good use for Mothers choosing life for their babies!! Contact 513-988-6544, Bill or Marianne w/questions.

HOLY FACE NOVENA/Prayers

We are exploring the possibility of starting an Archconfraternity of the Holy Face at Holy Family. We will continue the Prayers of the Archconfraternity of the Holy Face today after Mass. We will meet in the Church with the relic that has been touched to St. Veronica's Veil in Rome which is near St. Joseph's altar and pray the prayers from the pamphlets provided. There will be a sign up sheet for those interested in being a member

SEEK HIS HOLY FACE!

BAGWORM! Last Sunday a man called the office and informed us we have bagworm on our Blue Spruces in front of the Church! He said that unless each cocoon was squashed underfoot the moths would appear and repeatedly lay their eggs in the tree and the larvae would destroy the trees by exfoliation. At first I did not recognize the cocoons because they looked like part of the tree but on further investigation I noticed them hanging camouflaged with pine needles. So it is with our sins and our predominant fault! They camouflage themselves so well that we don't even see them. Yet, if left unchecked these sins will devour our soul! Do you know what your predominant fault is? Once you determine it you can fight against it through the opposite virtue and squash those sins and save your soul! Ask the Holy Spirit to help you know your predominant fault the source of sin & conquer it!!!
