SIXTH SUNDAY AFTER PENTECOST

4TH OF JULY –INDEPENDENCE DAY!

Happy Fourth of July!!

Today is the national holiday where our Forefathers declared Independence from a tyrant King George of England. Let us recall that the reason they used to defend their act of disobedience was because the King had overstepped His power by denying us our inalienable rights of Life, Liberty and the pursuit of happiness given to us by Our Creator! Yes the Fathers of this nation believed in God! They believed that no power

could take those rights away. How they must be turning in their graves at what the Supreme Court has done in overturning Gods laws, especially the 5th and 6th commandments by allowing abortion on demand and same gender marriages! How diabolical it is to give young children transgender drugs when they have not even reached the age to make such a life altering decision!! We also see that are nation is heading towards a socialism where we surrender our individual rights to the government! During the Covid 19 pandemic we saw the state shut down churches and the public worship of God while abortion clinics and Planned Parenthood remained open! Where is our nation going? Can God truly continue to “bless America” when it continues to break His laws? Let us declare our independence from tyranny to sin by our DEPENDENCE on Almighty God to restore our nation and restoring His Divine Law which is the source of all true Laws!
