“ Be not overcome by evil

but overcome evil with good” Rom.12:21

Roe v Wade Decision , **January 22, 1973**, a day that will live in infamy! National Right to Life estimates that, since the U.S. Supreme Court legalized abortion 49 years ago in Roe v. Wade and Doe v. Bolton, more than 60 million unborn U.S. children have lost their lives. That is more than the estimated world wide deaths of World War II! Each one of those abortions is a tragedy, not just because an innocent child died, but because of the lasting impact the abortion itself has on the mothers of those children. Every abortion has at least two victims! It also has an effect on a nation that condones it! Let us recall that it is “We the people” who determine & are responsible for this republic. Let us also recall that we are our brother’s keeper! We will be held accountable!!

### Pray for Supreme Court Dobbs V Jackson

Please continue to pray that this might overturn Roe v Wade so that the abortion question would be returned to the states. May Ohio/ the Miami Valley soon become an **ABORTION FREE ZONE!!**  
May the lie that is Roe v Wade not live to be 50!!  
Pray the rosary for an end to abortion!

Anniv. of Roe v. Wade—49 years of Infanticide!

Yesterday marked the 49th Anniversary of the Supreme Court Landmark decision that legalized abortion throughout the United States. Since then an estimated 60 million babies have been destroyed in their mother's womb. We pray for these little ones who were denied their dream! They would have loved to have been legally born here in the US but were denied not only citizenship but their American dream of Life, Liberty and the pursuit of happiness! We pray for the mothers as well who were pressured and lied to that destroying the "blob of tissue" was the better way but now have to bear the deep psychological scar of having killed their own baby. Project Rachel and Silent No More are two groups that help these mothers heal and be forgiven. But most importantly let us pray for our nation as we may be on the verge of having a pro life, pro family Supreme Court decision that may overturn the rulings that have gone against the Divine Law from which all true law must originate.

Prayer to End Abortion

**DO NOT READ IT PRAY IT!**

*O God who is the beginning and the end hear our prayer as we cry out to You to end the merciless shedding of blood in our nation and throughout the world. Through death You have conquered death and through Your life we experience eternal and everlasting life. Cause life to spring forth in the hearts of all people and bring forth a love and respect for life that will dominate our culture. May Your kingdom and Church apprehend and overtake the culture of death that has prevailed through deceit and selfishness. May the seed of the woman crush the head of the serpent through Christ Jesus Our Lord. Amen!*

**CHRISTMAS IS NOT OVER! LET US CONTINUE TO SEEK HIS FACE AND ALLOW HIM TO GROW IN OUR HEARTS THROUGHOUT THE YEAR!**
