*******PALM SUNDAY*******

In today's liturgy Holy Mother Church presents to us two seemingly contradictory emotions—joy and sorrow. We begin with the red vestments of martyrdom to bless the palms and join the procession with holy joy as we commemorate Our Lord's triumphant entry into Jerusalem some 2000 years ago. From the mouth of babes we hear "Hosanna to the Son of David!" as we carry the palms which are the symbol of victory. Yet even more importantly the procession also calls to mind a future event when Jesus Christ will enter into the New Jerusalem where He will reign as King for all eternity! Let's be sure to be in that number!! But first we must enter into His Passion! "Whoever would come after Me must deny himself, pick up his cross and follow Me!"

Blessing of Easter Baskets / Easter Dinners

Baskets of Easter food and drink will be blessed on Holy Saturday at 1PM in the Church. A table will be set up in the sanctuary .

Vultus Misericordiae—the Face of Mercy

After the procession where we hail Jesus as our King past, present and especially future we then exchange the red vestments for the penitential violet as the joyful note of Christ's kingdom gives way to the sorrow of what He must endure to be victorious over sin and death. The Gospel today is the Passion according to St. Matthew.

Holy Mother Church wishes us to realize that in order to redeem us Our Lord had to first suffer and die. In order to reign He first humbled Himself. We see here other contradictions. In order to live we must die to self. If we wish to be exalted we too must humble ourselves as the King of Glory did even on that first Palm Sunday. As the prophet Zachariah wrote 500 years before the birth of Christ; "Rejoice greatly O daughter of Zion! Behold your king comes to you; triumphant and victorious riding on an ass" (Zach. 9:9) The humility of Jesus is seen both in entering triumphantly into Jerusalem and being nailed to the cross. As any architect knows the higher you wish to build a skyscraper the farther one must dig its foundation into the dirt. Let us not be like the fickle crowd that on Palm Sunday shouted "Hosanna to the Son of David", proclaiming Jesus King but in less than a week some of those same people cried out "Crucify Him, crucify Him!" Rather let us be like our Blessed Mother and St. John the Evangelist who stayed faithful to Jesus throughout His passion and death. As we enter into Holy Week let us intensify our prayers, fasting and mortifications so that if we share in Christ's sufferings we may also share in His victorious procession into the New Jerusalem and live forever! Let us welcome the King of Glory into our hearts this day!

Blessed Palms

Just a reminder that the blessed palms are sacramentals! A sacramental is set apart or blessed by the Church to excite good thoughts, devotion & grace! The blessed palms call to mind the victory Christ has won for His Church. By displaying these sacramentals we cooperate with the grace He has won for us. Ideas for what you can make out of your palm are available near the entrances of the church. Traditionally palms are attached to a crucifix in the home or to an image or statue of Jesus. As sacramentals blessed by the Church they should be treated with respect. Blessed sacramentals should never be thrown into the garbage. Used or damaged sacramentals must be burned or buried. Be sure to use your blessed palm as a reminder of your hoped for victory over sin and death through the grace that was won for us by our Redeemer, Jesus Christ!

Dayton Right to Life Baby Bottles

Parishioners can take the bottles home, fill the bottles with coins, cash, and/or checks (made out to "Dayton Right to Life"). Once they are filled they can drop the bottles off in the basement in the Pro-Life bin on the stage. All bottles must be turned in by the Sunday after Easter. Thank you!

GOOD FRIDAY COLLECTION

FOR THE HOLY LAND

Every year on Good Friday, a collection is taken up in Catholic Churches to support the work of the Franciscans working in the Holy Land. Christians there rely heavily on the help that comes to them from this worldwide collection. This year is especially important as the majority of Christians living there support themselves through tourism that has been devastated the last two years due to the pandemic. The coffers have been drained! The Franciscan Monastery of the Holy Land in America is part of a world-wide network of Commissariats of the Holy Land which function as bridges between the Holy Land and Christians all over the world. Their work involves the upkeep of Holy Christian places such as the Holy Sepulcher which was eroding underneath and will cost millions to complete the work already begun before the pandemic. Hopefully tourism will soon resume to its former level. The Franciscans of the Custody of the Holy Land have the unique responsibility to care for the Holy Places as well as for the "Living Stones," the Christians living there. It is vital that we support Christians living in the Holy Land, in order to maintain a Christian presence in the very land made holy by the life, death and Resurrection of Jesus. Please be generous in support of Christians in the Holy Land !
