EXTERNAL SOLEMNITY OF CORPUS CHRISTI

Today, in the USA, by apostolic indult never rescinded by the new general rubrics, the External Solemnity of Corpus Christi is offered even if the actual feast was celebrated on the Thursday after Trinity Sunday.

The actual Feast itself is a Holy Day of obligation in the universal church but not in the USA. It is held on a Thursday to commemorate that first Holy Thursday when Our Lord instituted this wonderful sacrament at the Last Supper. However, since Holy Thursday falls during the Holy Triduum where the eyes and hearts of the Church are on the passion of Jesus it would not be appropriate to celebrate even the greatest of all sacraments. Therefore, Pope Urban IV, in 1264 instituted this feast in order to thank God for the Holy Eucharist (Eucharist is a Greek word that actually means "Thanksgiving"). He asked St. Thomas Aquinas, the Angelic Doctor, to write the music for the Mass and Divine Office from which we have received the Pange Lingua hymn which contains the "Tantum Ergo" that is still used today for Benediction. Pope Urban's purpose for instituting this feast was twofold. First he intended to combat the heresies that were beginning to arise against the belief of the True Presence of Jesus in the Holy Eucharist. Secondly he wished to reawaken the fervor of the faithful for this spiritual food, the bread of Life, that God gives to us each day and which is

present in our tabernacles. Jesus, a prisoner of love for us, is a spiritual treasure that is more valuable than all the diamonds, gold and silver in the world for in it we possess God Himself who is our one and only true and everlasting happiness! O Sacrament most holy. O sacrament Divine. All praise and all thanksgiving be every moment
Thine!
