The Fifteenth Sunday After Pentecost

In today's epistle, Gal. 5:25-6:10, St Paul admonishes us "While we have time let us do good to all men." Even if someone is caught doing something wrong we cannot gossip about them. Instead a good Catholic prays for them realizing that we are not perfect either. We must remind ourselves "but for the grace of God there go I!" If

someone has done something to harm us or even just something that annoys us let us remember the words Our Lord Himself worked into the Our Father whereby we set the limits on how much we want God to forgive us by how much we forgive others: "forgive us our trespasses (HOW MUCH?) as we forgive those who trespass against us." By forgiving others we show that the Holy Spirit is alive in us and that WE want to be forgiven as well.

Do we recall the A,B C's of Divine Mercy?:

- A- Ask for mercy (especially frequent confessions)
- B- Be merciful to others (yes even to those we don't care for or even those who have injured us)
- C- Confidence ! Completely trust in God

"JESUS I TRUST IN THEE!"

REMEMBER the words of Our Lord on the Mount?
Blessed are the merciful for they shall obtain mercy!

“ All the pleasures of the world are NOTHING compared to the sweetness of the GALL and VINEGAR offered to Jesus on the cross!
(St Ignatius of Loyola)

It is with great sorrow we heard that the innocent blood from our poor, most vulnerable brothers and sisters will again be pouring into the Miami and Mad Rivers. As we predicted Ole Two Horns and Martin Haskell pulled the strings to resume the killing at the Kettering Abortion Center by getting a judge to grant a 14 day stay while they challenge the Ohio State “Heartbeat LAW” that the people of this state voted to be OUR law through electing the executive and legislative branches of our state government. Is this not a challenge to the Supreme Court of the United States that determined in Dodd v Jackson that there is no constitutional right to abortion and therefore the people of the state shall decide how abortion will be allowed? Is this not a slap in the face to “WE THE PEOPLE” who voted for representatives in these two branches to do the will of the people? THIS CANNOT STAND! We cannot allow a judge by a stroke of a pen to deny the will of the people! PLEASE CONTINUE TO PRAY AND PARTICIPATE IN THE PROLIFE EVENTS THAT ARE COMING UP! REMEMBER YOU ARE YOUR BROTHER’S KEEPER!
