THE NATIVITY OF OUR LORD! MERRY CHRISTMAS!

Merry Christmas!!

Let us recall that the birth of our Savior is such a great feast that it cannot be limited to only one day. Holy Mother Church celebrates with an octave- eight days of celebration—that allows the faithful to more deeply contemplate the mystery of the Nativity so that we may better apply it to our lives. "and the Word was made flesh and dwelt among us!" This is the greatest human birth ever -for it was the birth of God Himself, the Second Person of the Holy Trinity, according to His human nature. The Eternal Word has taken on our humanity in order to save us from our sins and reopen the gates of heaven. He is the promise given to our first parents after the fall. The long awaited one of the patriarchs, prophets, holy men and women from the beginning of creation! With the shepherds and magi we too should make haste to the manger and adore the incarnate Son of God who for us and our salvation descended upon the earth. The purpose of the Christmas feast is beautifully expressed in the Preface of the Nativity. "For by the mystery of the Word made flesh the light of Thy glory has shone anew upon the eyes of our mind so that as we acknowledge Him, a God seen by man, we may be drawn to Him by the love of things unseen" Let us therefore MAKE THE TIME to visit the Nativity Scene here at Holy Family or in your own home. No words are necessary. Even a child can approach the Babe of Bethlehem and experience the message of Divine Love for each and every one of us. The Sacred Heart of the Infant Jesus continues to beckon all creation to come and adore Him just as It did the shepherds and the wise men some 2022 years ago. VENITE ADOREMUS!! Wishing you all a very Blessed and Merry Christmas! May the grace of the Mystery of the Nativity of Our Savior come down into our

souls! AMEN!
