Second Sunday After Epiphany

The Wedding Feast of Cana 3rd of the three theophanies.
In today's Gospel, on this Second Sunday after Epiphany, Holy Mother Church presents to us the third "epiphany" that Greek word which means "a manifestation". The Fathers of the Church go even further by calling the three events "theophanies" "manifestations of God" as they give evidence to us who Jesus is, a proof of His divinity.

The first theophany was epiphany, the coming of the magi, gentiles bringing gifts of gold, frankincense and myrrh, significant gifts that show His kingship, His priesthood & the death He will die to redeem mankind.

The second theophany is the Baptism of Jesus which is usually celebrated on the former octave day of the epiphany, Jan. 13th. Here we read that 30 years after His birth, as Jesus was preparing for His public life, He came to St.

John the Baptist and was baptized in the Jordan River where the Holy Ghost came down upon Him in the form of a dove. The voice of God the Father is heard saying "Behold My beloved Son!" St. John then testifies "I have seen and born witness that this is the Son of God".

Today we have the third theophany where Jesus performs His first of many miracles at the Wedding Feast of Cana through the intercession of the Blessed Mother. At the same time manifesting His divine supernatural power by this miracle He also manifests His great love for the institution of marriage by performing that first miracle at a wedding feast. Let us be sure to remember this occasion, the first miracle of Our Lord, whenever our protestant friends wrongfully say that Mary was "just another woman" or question why we honor her. Remind them whose intercession it was that brought about that first miracle. She merely states "vinum non habent", "they have no wine" and Her Divine Son, flesh of her flesh, turns mere wash water into the best wine man has ever tasted while also foreshadowing the Holy Eucharist where He will turn wine into His blood for love of us!

HOLY FAMILY MAINTENANCE & PROJECTS

What's that big Boom Lift in the parking lot for? Enterprise Roofing has fit us in at the end of the year to fix broken tiles on the Findlay side roof and cap off the chimneys to keep birds & bats (and their droppings) out of the chimneys. We have gotten bids for bathroom remodel & for paving the empty lot next to the rectory for extra parking in the future!
