QUADRAGESIMA SUNDAY

Behold NOW is the acceptable time, behold NOW is the day of Salvation!" How fitting are these words from the epistle for us today. Lent is a time that can make us more acceptable to God. It is THE time of the liturgical year for the soul to make a quantum leap in the spiritual life. It is a time when our penances and sacrifices help us show God—and ourselves—that our eternal happiness is far more important to us than any short lived happiness of this world. It is through our added devotions, prayers and good works that we gain the grace to sustain our penances throughout the 40 days even when the devil tries to convince us to "turn those stones into bread" by making our penances lighter or even non existent.

Through our sacrifices our love for God will grow and our hearts become more fervent. We can indeed make up for sins of the past and become closer to the person we must be if we are to ever become a saint in heaven

In today's Gospel Jesus Himself begins His public life by going into the desert and fasting for 40 days and 40 nights. Like us His human nature was hungry. Also like us the devil saw when He was weakest, most vulnerable, and he chose that time to tempt Him. But this is where the strength and graces we gain through the self denial of Lent help defend us against the devil and temptations. By denying ourselves our will becomes stronger over the lower passions. We strengthen our spiritual "muscles", the virtues such as temperance, prudence and charity, that will come in handy in the time of temptation.

Lent is like a spiritual military boot camp. The stronger we make our will now the better prepared we will be when temptation comes. Lent prepares us for that very important spiritual battle that we all must face. So let us use this time wisely! For behold NOW is the acceptable time, NOW is the day of salvation! 4 days of Lent 2023 are gone forever. Only 36 remain!

DRTL Will Remain at 425 N. Findlay

Although the building was sold the new owners are allowing Dayton Right to Life to continue to lease. They do have to renovate a different area and could use your help in furnishing the new areas. A lot of the furniture and office equipment did not survive the flood at Christmas time when pipes froze. The pieces that did survive are over 15 years old and were donated by the Life Enrichment Center. If you could donate gift cards from Lowe's, Home Depot, Office Depot it would be very much appreciated. Or just put an envelope marked "DRTL" and put it in the collection basket and we will see they get it. Make checks out to DRTL.

2022 Contribution Tax Statements

Statements are available in the main entrance. These statements may be used for taxes. Even more importantly they represent your financial sacrifices to support Holy Family, the Latin Mass and sacraments. THANK YOU SO MUCH FOR YOUR GREAT GENEROSITY THIS PAST YEAR! MAY GOD BLESS & REWARD YOU ABUNDANTLY!
