## SECOND SUNDAY OF LENT

Today we find ourselves 10 days into Lent—only 30 more to go! Those 10 are gone forever! Hopefully we have felt that sensation called “hunger” that we don’t truly feel the rest of the year. Isn’t it amazing how good food smells and tastes when you only have one main meal a day? How much more thankful we are to God—and to our cook— for providing us our nourishment during lent, food that many people throughout the world do not even have access to in the quantity and quality that we have in the USA. How blessed we are! However, any discomforts we feel when we deny ourselves snacks, favorite treats, favorite TV shows, computer time, Facebook time, Internet podcasts and games , etc. prove to us how attached we truly are to these earthly pleasures! Have you felt any “sting” this Lent? **CAN YOU DO MORE?**

In the epistle St Paul speaks to US today, whether we have faithfully kept our resolutions or whether we have given into temptations once or twice or even if we have done nothing at all, when he says: “In the Lord Jesus Christ make even greater progress...for this is the will of God—YOUR SANCTIFICATION!” Why should we test our will power? Why should we sacrifice during Lent? Why should we mortify our passions? Why should we work towards sanctification? Because it is Jesus who is going to His death for love of us! In the Gospel today Our Lord takes his disciples to Mt. Tabor and gives them- and us— a sneak preview of who He truly is. Jesus is indeed the Son of God, the Redeemer, the Messiah. He is the ONLY HOPE for a fallen humanity. He also shows us a taste of future glory we too can gain if we take advantage of the grace He wishes to bestow upon us. A gift that guarantees that we will share in that glory. We too can have a perfect body free from all pain forever. We too can become true Children of God. We too can shine like the “Son”! However, the only way to claim this gift is none other than the way it was won. “He who would come after Me must DENY HIMSELF, PICK UP HIS CROSS DAILY & FOLLOW ME”. This is what Lent is all about—following Christ up Mt. Calvary so that one day we can be with Him as He appeared on Mt. Tabor. Now that lent is 1/4 over let us make sure to use the remaining 30 days wisely!  
“For this is the will of God - YOUR SANCTIFICATION!”
