## The Fifth Sunday After Easter

In today's epistle, JMS 1:22-27, the apostle reminds us to be "doers of the word and not hearers only".

Martin Luther called the letter of St. James a "straw epistle" and would have loved to have it removed from the canon of sacred scripture as he did with many of the old testament books he called apocrypha. He disliked today's epistle because it refutes his "by faith alone" teaching that is still held by most protestants today. Holy Mother Church has taught us through oral tradition and Sacred Scripture that it is NOT by faith or works that we are saved but by GRACE—a free gift from God! However, if we accept this grace we will believe all that Christ has revealed to His Church and will put into action our faith and do good works. We will be "doers and not hearers only". For as St. James tells us "faith without works is dead faith". Our Lord Himself is very clear "whosoever would come after me must deny himself, pick up his cross and follow Me" (MK 8:34). It's NOT enough to just believe, we have to LIVE our Faith and by doing so we will do good works. Faith and good works are consequences and signs that we do have sanctifying grace, the Divine Life within us!

**Be doers of the word and not hearers only!**

**FLOWERS FOR MOM.** To honor our mothers on Mother's Day the Knights of Columbus are offering roses and carnations at the front door of the church.

Suggested donations are \$2 per rose and \$1 per carnation. Proceeds will benefit Dayton Right to Life. The flowers can be used to honor our Blessed Mother in the May Crowning after the 10:30 Mass or taken home to honor your earthly mother.

**Thank you Mothers** for saying "yes" to God in taking upon yourself the difficult yet highly esteemed vocation of being a mother! God Bless you always! LET US NOT FORGET OUR BLESSED MOTHER, OUR EARTHLY MOTHERS, GRANDMOTHERS & GOD-MOTHERS AS WELL!! BE SURE TO PRAY FOR THEM!

**FRIDAY NIGHT HOLY HOURS 6PM TO 7PM!**

To pray for the unborn & any mother contemplating killing their baby. We pray that the killing would stop at the Kettering Clinic FOREVER and that the Amendment to the Ohio Constitution that could enshrine Abortion on demand and eliminate parental consent throughout the state be either utterly defeated in November or possibly be stricken from the ballot altogether. PRAY the daily rosary that the Miami Valley, this Valley of Tears that kills 66 babies and wounds at least psychologically their mothers each WEEK, may become a valley of peace & joy again respecting life & the dignity of motherhood in an abortion free zone!
