Second Sunday After Epiphany

The Wedding Feast of Cana

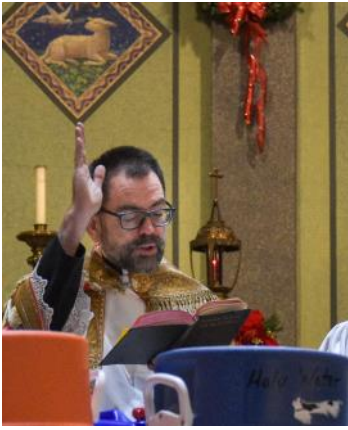

Third of the three theophanies.

In today's Gospel, on this Second Sunday after Epiphany, Holy Mother Church presents to us the third "epiphany" that Greek word which means "a manifestation". The Fathers of the Church go even further by calling the three events "theophanies" "manifestations of God" as they give evidence to us **who this Jesus is**, a proof of His divinity. The first theophany was the coming of the magi, gentiles bringing gifts of gold, frankincense and myrrh, significant gifts that show His kingship, His priesthood and the death he will die to redeem mankind. They answer a spiritual call that makes them put aside their normal lives and cross a desert bearing precious gifts for this King of Kings!

The second theophany is the Baptism of Jesus which was celebrated yesterday on the former octave day of the epiphany, Jan. 13th. Here we read that 30 years after His birth, as Jesus was preparing for His public life, He came to St. John the Baptist and was baptized in the Jordan River where the Holy Ghost came down upon Him in the form of a dove. The voice of God the Father is heard saying "Behold My beloved Son!" St. John then testifies "I have seen and born witness that this is the Son of God".

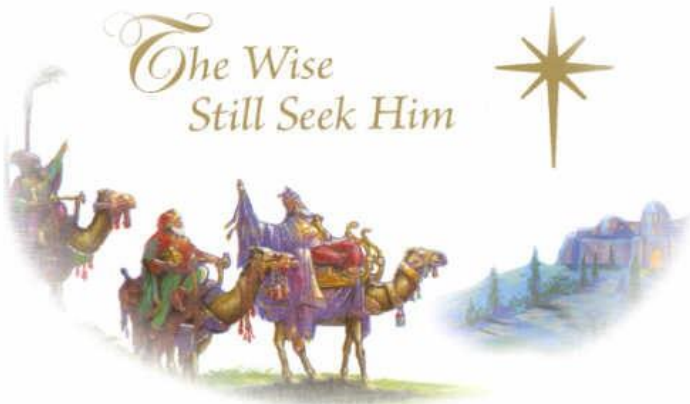

Today we have the third theophany where Jesus performs His first of many miracles at the Wedding Feast of Cana through the intercession of the Blessed Mother. At the same time as manifesting His divine supernatural power he also manifests His great love for the institution of marriage. Let us be sure to remember this occasion, the first miracle of Our Lord, whenever our protestant friends wrongfully say that Mary was "just another woman" or question why we "worship" her. Remind them that we do not worship her like we do God but rather honor her above all creatures, as the "Theotokos", the "Mother of God", whose intercession it was that brought about that first miracle. She merely states "vinum non habent", "they have no wine" and Her Divine Son, flesh of her flesh, turns mere wash water into the best wine man has ever tasted while also foreshadowing the Holy Eucharist where He will turn wine into His blood for us! **ALL PROOFS JESUS IS GOD!**

GOD BLESS OUR COLLEGE STUDENTS!

It was so good to see so many of our young people back from college during the Christmas break! It gives us great hope that these will be the Catholic leaders of tomorrow! How long can the culture of death survive? I remember one young man a few years ago wearing a shirt that said "My generation will see the end of Roe V. Wade". I still remember thinking how hopeless that claim was, how impossible!

My generation had tried for 50 years to overturn Roe V Wade even risking jail to stop it! But look what happened!! We certainly still have a long fight especially here in Ohio but DO NOT UNDERESTIMATE God nor this next generation! Continue to make us proud college students!!! Form a culture of life! God bless you!
