The parable of the Sower and the Seed

It is indeed interesting to note that Our Lord was actually doing what he was speaking about in relating this parable. He was spreading the seed of faith among all those who had come to listen to Him. Remember, God has been sowing since the dawn of time. Starting with Adam and Eve and continuing to this day and will continue until the sound of the trumpet signal-

ing the final gathering of the harvest on the last Day.

Our Lord explains the parable to His apostles and TO US!

The seed is THE WORD OF GOD!

The seed by the wayside are those who hear the Word but the demons, like birds, easily take it from their heart. The seed on the rock—cannot take root so it dies. They rejoice at first but without roots they fall away in time of temptation. Their hearts are much too hard! The seed among thorns are those who hear and believe for a while but are choked by the cares and riches and pleasures of this life and their fruit does not ripen. The seed that falls upon good soil bears fruit a hundred fold. As any gardener knows to get good soil that hard soil must be tilled and broken! It must be manured and given water & nutrients! In other words it must be humbled and must receive the graces that our Good Lord provides especially through prayer, good works and the sacraments from Holy Mother Church! Which type of soil will He find in YOUR heart? Lent can prepare that soil! Denial of ones own will breaks up that soil and the sacraments, prayers & practice of virtues enriches it! A good Lent will prepare your heart to grow that seed!! During this time of Septuagesima let us start thinking about what we are going to give up as penance to humble ourselves and what will we do to gain grace through prayer and good works. Lent is only a week and a half away! Which type of soil is your heart?

PREPARE FOR AN EXTRA GOOD LENT THIS YEAR!

Catholic Ministries Appeal

This weekend is the CMA Commitment weekend for 2024. Please join with Catholics in every parish throughout the Archdiocese who are supporting local, Catholic ministries for people here in our communities. These ministries such as St. Rita's School for the Deaf, Prison Ministry, Hospital, Seminary and Vocation Ministries all depend on our help each year. Every registered parish household should receive a CMA mailing from Archbishop Schnurr. Please prayerfully complete your pledge card and mail it in the envelope provided. PLEASE BE SURE TO INCLUDE "HOLY FAMILY DAYTON" so our parish gets credited for the donation. As in previous years 50% of funds raised over our goal comes back to Holy Family!! Our goal this year is \$22,282. IN ADDITION the top 10 parishes with the highest percentage increase in participation will receive \$5,000! In the past we have always been one of the top three in participation but we need to INCREASE what we did last year (88 Households) in order to win the incentive! We can do it! Already 11 households have pledged \$5,330 or 24% of our goal! And we are just starting! Holy Family is indeed a part of the Archdiocese, its own Family, with all of its rights and privileges. Please prayerfully consider what you can give to this appeal. THANK YOU TO ALL WHO HAVE GIVEN!

2023 Contribution Tax Statements

Statements are available in the main entrance on the table with the Lending Library. These statements may be used to verify tax deductions. Even more importantly they represent your financial sacrifices to support Holy Family, the Latin Mass and sacraments. THANK YOU SO MUCH FOR YOUR GREAT GENEROSITY THIS PAST YEAR!
