The Miracle of the Sun - Oct 13, 1917

A miracle is a phenomenon in nature that can be seen by the senses and is outside the ordinary law of nature brought about by God. 107 years ago TODAY God allowed the Miracle of the Sun that Our Lady of Fatima predicted and over 70,000 people witnessed! In a rain soaked Cova da Iria in Fatima, Lucia pointed to the sky and shouted "Look!" The sun began changing colors, then started spinning like a wheel. To the horror of all, it then appeared to detach from its place and began falling towards the earth! People cried for mercy thinking it was the end of the world. But suddenly the sun returned to its place & the ground and all the people were perfectly dry though moments before they had been drenched by the rain. Even the socialist newspapers that wanted to defame the children and the Catholic Church had to report what they saw. This gave credibility to the message of Fatima: to stop sinning, PRAY THE ROSARY and do penance for sins! The message in the Epistle today is to TAKE UP THE ARMOR OF GOD! The Gifts of the Holy Spirit & the Rosary! This is the Peace Plan from heaven!

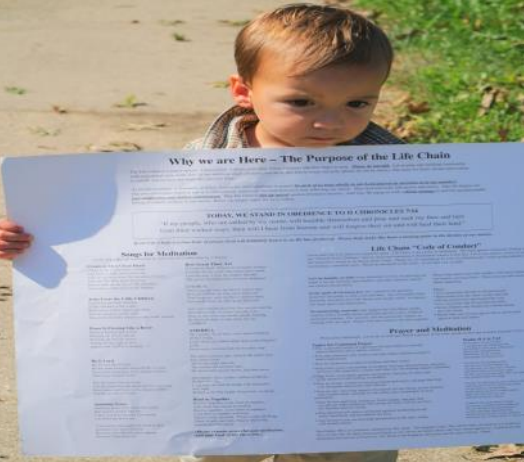

Let us also ask our Queen and the Patroness of the United States of America, for her intercession that God may grant us, NOT the leaders we deserve this election, but in His great mercy, leaders who will make our nation a country truly "under God" with a culture of life replacing our present culture of death and depravity!

AN ELECTION PRAYER TO MARY

(DON'T READ IT - PRAY IT!)

O Most Blessed Virgin Mary, Mother of Mercy, at this most critical time, we entrust the United States of America to your loving care. O Most Holy Mother, we beg you to reclaim this land for the glory of your Son. Overwhelmed with the burden of the sins of our nation we cry to you from the depths of our hearts and seek refuge in your motherly protection. Look down with mercy upon us & touch the hearts of our people. Open our minds to the great worth of human life and to the responsibilities that accompany human freedom. Free us from the falsehoods that lead to the evil of abortion and threaten the sanctity of family life. Grant our country the wisdom to proclaim that God's law is the foundation on which this country was founded & that He alone is the true source of our cherished rights to life, liberty & the pursuit of happiness. O Merciful Mother, give us the courage to reject the culture of death and the strength to build a new culture of life. Amen!
