Passion Sunday

As you noticed by the statues veiled in violet, today we enter into what is traditionally known as Passiontide. From Septuagesima Holy Mother Church has called us to follow Our Lord's footsteps in the course of His apostolic ministry. Now in Passiontide, she is clad in mourning and veiled in purple as she contemplates the sorrowful events of the last two weeks of Our Redeemer's mortal life. During Passiontide Psalm 42 and the doxology (Gloria Patri...) are omitted in the prayers at the foot of the altar for masses of the season. This is done to bring out the Church's sadness of the suffering of Our Lord which now becomes more intense as His Passion and death nears. Our penances should also become intense! In the Gospel Our Lord's situation with the Pharisees and Scribes is becoming heated. He calls them liars and they take up stones to kill Him and so He hides Himself and departs from the temple. How ironic since the temple was built for God yet the Son of God, Jesus, is not welcome in His own home! Is this not what we have done when we commit sin, especially mortal sin which drives Jesus out of our souls? During Passiontide, the last two weeks of Lent let us open our hearts and our souls to Jesus by making a good examination of conscience and a sincere and contrite confession. Invite Jesus back into His holy temple which is your soul! Let us follow Him to Jerusalem and Calvary so that we may rise with Him on Easter Sunday! Until then think of Him often. What was He doing that first Passion week just two weeks before His death? As God HE KNEW what was going to happen. Yet He still goes! Was He thinking of you? Did He think all the suffering He knew He was going to suffer was worth it for your sake? Do not let His blood be in vain for your soul!
