Twentieth Sunday After Pentecost

In today's gospel, JN4:45-53, the royal official asks Jesus to come and heal his son who is in danger of death. Our Lord tests his faith by simply saying "Go thy way, thy son lives." The man believed and proved his faith by walking away. His faith is rewarded and his whole family became Christians. At the seminary in Denton there is a poster of Blessed Fulton Sheen that reads: *'Believe the incredible and you can do the impossible. It is our want of faith that holds us back even as Peter. Why did he begin to sink? The Gospel gives us the reason. He took account of the winds. He began reading surveys. It was established statistically that 99.44% of mankind cannot walk on water. All the incredulities were in the winds. When he took his eyes off Christ, Peter began to sink."*

Faith is a great gift from God, a very powerful gift. We see what happened that first Pentecost Sunday, the birthday of the Catholic Church, when the twelve apostles inspired by the Holy Ghost first put their faith into action. These were twelve common everyday men, fishermen and tax collectors. None of them would be selected for a presidential cabinet seat yet in just one day, filled with the Holy Ghost, they were able to bring 3,000 people into the Faith through the sacrament of baptism. Today their work, their Faith, has reached all corners of the globe and Holy Mother Church claims 1.3 billion children living today. That's an increase of over 100 million!! And the Holy Sacrifice of the Mass has been offered on all seven continents!

St Paul describes Faith as " the substance of things hoped for, the evidence of things that appear not" (Heb 11:1).This definition clearly describes the essence of the virtue of supernatural faith. It links faith with hope of future things and to certainty concerning supernatural truths. An act of faith, like that of the ruler in today's gospel is a true assent, not merely confidence or hope, but a true consent of the will to believe what God, the Eternal Truth Himself, has revealed to us. What a great and unfathomable gift! Let us pray always for an increase of faith! And let us put that Faith into action!

WELCOME NEWEST MEMBERS!

Today we have a whole family- the Farrell family as our very newest members! Rob set a record for sacraments in Fr. Gabet's book!! He was received into the Catholic Church by his Profession of Faith,made his first confession,was confirmed, received his first Holy Communion, convalidated his marriage with Sarah and then witnessed the baptism of his son, James Everett! That is five out of the seven sacraments! It was a BIG day! Congratulations and welcome to our Holy Family!

October 11th Maternity of the Blessed Mother!

Today is ~~also the Feast of the Maternity of~~ the Blessed Virgin Mary. This Feast was Instituted by Pope Pius IX in 1931 on the 15th centenary, 1500 years, of the Council of Ephesus (431 AD) where she ~~was infallibly proclaimed to be "Theotokos" the~~ "God-Bearer" against the Nestorian heresy that taught there were two Persons in Christ, one Divine and one human. The Council proclaimed that Jesus is God AND man. He is the second person of the Holy Trinity. Therefore Jesus was God and Man from His conception at the Incarnation. In this way Mary is indeed the Mother of GOD!

Virgin Mother of God, He whom the whole world could not contain, enclosed Himself in your womb. Pray for us!!

LIFECHAIN!!!

Last Sunday Holy Family brought our message out to the streets of Dayton holding signs with the simple truth "Abortion Kills Children"! many people drove by and were certainly impressed that so many Christians would take time from their day to pray to reach the hearts of buckeyes, especially anyone contemplating abortion. Thanks to all who came! We really have this Lifechain down pat - spreading out, keeping in silent prayer and actually doing something to save babies! Fred and Diane passed out the signs and manned the "headquarters" for our parish(above right) Almost everyone had gotten a sign and taken a place by 2PM. After the hour was up we all came together to pray the Divine Mercy Chaplet for an end to abortion and for any mothers contemplating such a horrible action. It was no coincidence that we had just celebrated the External solemnity of Our Lady of the Holy Rosary invoking the greatest Mother of all to help us win the victory as she did at the Battle of Lepanto! We know she will help us as we read "every tear will be wiped away and death shall be no more!"
